**NEED STATEMENT: COMMUNITY FEEDING**

**BACKGROUND:** The Gospel Center Rescue Mission serves up to 500 hot  
500 cold meals per day 365 days/year.

Hot meals have 4 separate serving times for Breakfast and Dinner and 2 serving times for Lunch.  
Cold meals (through a partnership with Second Harvest and Starbucks) are distributed 4 times/day.

Expenses include, but are not limited to: staff; equipment; food; kitchen supplies; refrigerated box  
truck operation; utilities; and kitchen, dining room and warehouse operation and maintenance.

GCRM significantly reduces the cost of this program by seeking community partners who donate  
up to 80% of the food items. Costs are further reduced by New Life Program Students who are  
learning valuable life skills and are working towards their *ServSafe* California Food Handlers  
Certificate who perform much of the food preparation and kitchen sanitation work.

**TOTAL COST/YEAR: \$200,000**
