FREE Non-Profit Assistance

We believe in giving away any proprietary information in any of our programs to any requesting non-profit. We also train area non-profits in fundraising via seminars held 2-3 times each year. We welcome and host nonprofit site visits.

Disaster Refugee Relief Program

(Funded within normal operations)

Should an earthquake, fire, flood or other natural disaster or terrorism event occur in San Joaquin County, the Gospel Center Rescue Mission can accommodate for several weeks up to 50 refugees where lodging, food and clothing are provided. When refugees return to new housing the Rescue Mission can further assist with furniture through its free furniture outreach to the Community.
