## NEED STATEMENT: ACADEMIC CURRICULUM

**DESCRIPTION:** The Gospel Center Rescue Mission's (GCRM) has developed a model for success for every individual who enters our program. Within that model is an educational curriculum which enhances the lives of our residents or students and offers several tools and skills and prepare them for re-entry into society. The key study books common for all of our life-changing programs to Graduation and beyond is the Celebrate Recovery Study Bible and The Genesis Process. GCRM has obtained the intellectual rights for the Ace Overcomers Program (helps teens & adults overcome the affects of adverse childhood experiences) to reproduce in-house the balance of its curriculum requirements. GCRM also prepares Students for GED testing or basic English and math proficiency to compete for jobs and function as a productive citizen. GCRM Program Students receive all curriculum as well as pens, pencils, note books, binders, computer paper, and other resources free of charge. GCRM requires curriculum and supporting material for approximately 100 students and 30 staff and volunteer teachers every year.

**BENEFIT:** GCRM's free academic curriculum for its New Life Program & Life Skills Programs (6 months each) and New Life Program Plus (6 months - 3 years) is a key component to the transformation of a Student's while at GCRM.
