

GOSPEL CENTER RESCUE MISSION

restoring lives since 1940

Emergency Lodging - New Hope Family Shelter - New Life Addiction Treatment Program - Hope Housing
Representative Payee - Hope Learning Center - Homeless Thrift Store - Recuperative Care - Gleason House Medical Clinic

NEED STATEMENT: OVERNIGHT HEALTH (FIGHT AGAINST BED BUGS!)

DESCRIPTION: The Gospel Center Rescue Mission's (GCRM) goal is to take all measures to insure our 200+ overnight guests (up to 60 children) have rest free of bed bugs. To do this we need to employ best practices requiring key equipment. This equipment includes constant replacement of commercial washers and dryers, mattress's that can withstand heat treatments, metal beds, plastic bed covers, and metal or plastic room furniture for up to 200 men women and children living on campus.

BENEFIT: GCRM provides a safe environment for the homeless of San Joaquin County. A bed bug free environment is a priority of this safe environment. Additionally, a good night's sleep prior to our guests returning to the streets, to the students in GCRM's life changing Programs, and to children going to school makes a huge difference in how these individuals appropriately handle their day's challenges.

Commercial Grade Washers and Dryers

Bed Bug Covers

Metal Drawers

Twin 5" Foam Mattresses

Metal Twin Beds

(Enlarged) Bed Bug Photo

COST: \$22,000 estimate year.
