Graduation is the tangible success of a student's transformation by God's grace and by means of the following Gospel Center Rescue Mission Programs:

Emergency Lodging

This program meets the physical and spiritual nightly housing needs of homeless men, women and children from the surrounding communities of San Joaquin County.

New Life Program

This is a recovery life program to manage life from addiction to recovery for men and women providing classes dealing with spiritual, emotional and physical issues.

New Life Program Plus

The second phase of the New Life Program is where student's begin to make and pay restitution to society. They begin employment and/or go to school and pay for program fees. The final phase extends for additional 2.5 years for stability in the Hope Housing residences.

New Hope Family Shelter

Houses three different programs: Emergency Lodge Program (2 week stay); Life Skills Program; and New Life Program (6 month to 3 year stay): to meet the physical, mental, spiritual, educational and financial needs of women and children.

Recuperative Care Program

This program offers homeless individuals a safe place to rest while completing their medical recovery after being released from hospitals throughout the county.

Representative Payee Services

This is a service designed to assist clients who receive Social Security Income for disability and/or mental health problems to manage and budget their monthly checks.

Clothing Ministry

Our clothing room provides more than 70,200 pieces of clothing, household items and books to the community each year.

Free Non-Profit Assistance

We believe in giving away any proprietary information in any of our programs free to any requesting non-profit. We also welcome non-profit site visits.
